## TERMS AND CONDITIONS

1. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute, as he sees fit, is reserved by the auctioneer, and his decision shall be final. The auctioneer reserves the right to reject any or all bids.
2. **All accounts must be paid in U.S. funds by cash, cashier's check, traveler's check, or personal check at the time of the sale.** No horse shall be removed from the grounds until this condition is met. No bank drafts will be accepted. A drivers license or some other form of positive identification will be required to obtain a buyer number.  
**All payments must be made to Diamond "G" Farms.**
3. **Personal checks**-anyone paying with this method will be mailed horses registration paper after check clears the bank—**no exceptions.** There is a \$50.00 charge for returned checks and they will immediately be turned over to the County District Attorney's office and charges will be filed.
4. Horses are at the buyer's expense, risk and responsibility from the time of purchase, but no delivery will be made until final settlement has been made.
5. All horses are offered for sale according to the laws of the State of Missouri, and the right to bid is reserved for all sellers in this sale unless otherwise announced.
6. All registration papers will be held by sale management until all checks clear the bank, and then all necessary papers will be mailed to the new owners (allow 21 days). Buyers paying cash may pick up registration papers on the day of the sale.
7. The transfer fee is to be paid by the new owner.
8. The sale management, auctioneer and employees act as agents for the seller, but assume no liability for either buyer or seller. Any representations made by the sales management are made on behalf of the seller.
9. Every effort has been made to insure correctness of the catalog, and in most cases information quoted concerning the horse is taken from official AQHA records. Diamond "G" Farms, L. L. C. and auctioneer are not responsible for errors or omissions and assume no liability on their part as to any statements verbal or written regarding horses sold. In case typographical or other errors are discovered in the printed sale catalog, efforts will be made to have announcements made by the auctioneer. Buyers are cautioned to pay close attention to the auctioneer announcements.
10. All horses have been Coggins tested and found negative. Coggins papers will be given when horses are paid for.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. Neither Diamond "G" Farms, L. L. C. nor any other person connected with this sale assume any liability legal or otherwise, for accidents to persons or property, before, during or after the sale.
12. **Statements made the day of the sale take precedence over advertised material.**
